Explosive Demolition Hypothesis WTC Building 7

EXPLOSIVES HYPOTHESIS
Features of the destruction of WTC Building 7 match an explosive demolition – not a building collapse

Evidence of Explosive Destruction

NO Characteristics of Destruction by Fire

FIRE HYPOTHESIS
Fire may cause less solid structures to collapse asymmetrically and with gradual deformations following the path of least resistance. But steel skyscrapers have never collapsed because of fire. Additionally, there's overwhelming evidence of explosives.

Based on the available evidence I don't see any aspect of the WTC 7 collapse that is inconsistent with controlled demolition. The sudden onset, straight-down collapse i...

"11-Septembre : Le nouveau Pearl Harbor"

Le nouveau film du réalisateur et blogueur italien Massimo Mazzucco
LA PLUS GRANDE ENQUÊTE CITOYENNE JAMAIS MENÉE

Ce nouveau documentaire exceptionnel en trois parties du réalisateur Massimo Mazzucco devrait enterrer une bonne fois pour toutes la thèse officielle. Il répond également à nos détracteurs régulièrement invités dans les médias et dont les arguments peuvent sembler convaincants ... pour celui qui ne prend pas le temps de les étudier.

Partie 1 "Les avions du 11-Septembre" Partie 2 "Le Pentagone et le Vol 93" Partie 3 "Le World Trade Center"

Voir le documentaire sur Youtube.

Ce film s'adresse à tous ceux qui n'ont pas suivi le débat sur le 11 septembre 2001 qui anime Internet depuis 12 ans
